

Limelight Art Experience - Cedar Hill Recreation Centre March 3, 2012

Foundation Granted \$1,500 towards this project.

To showcase and celebrate youth and art. The theme this year is Activism through Art, incorporating local musicians and story tellers to go along with the two cornerstones of the event - John and Yoko Bed-in photo collection, and a youth art show. Jason.jones@saanich.ca

Ballet Victoria - Tea for Tutu, May 23 to June 20, 2012

Foundation Granted \$1,000 towards this project.

Tea for Tutu was established in 2008 to reduce senior isolation by promoting senior volunteerism, intergenerational socialization and increase participation in the arts. The programme includes four to five events each season that being with a demo of techniques and a performance giving the audience a sneak peek of an up-coming show. www.balletvictoria.ca

Music in the Park, July and August, various Saanich Parks

Foundation Granted \$1,400 towards this project.

Including Rutledge Park, which is now run self-sufficiently, there are either concerts offered throughout Saanich during the summer. These special events are now part of the social fabric of our community. Since 2008, the SLF has been honoured to provided assistance to this popular community event that benefits all ages.

Saanich Strawberry Festival - July 8, 2012, Beaver Lake

Foundation Granted \$1,500 towards this project.

The oldest and one of the largest single-day events in the region, the Strawberry Festival original as a celebration of the agricultural roots of Saanich. It has become a treasured family tradition every July and the Legacy Foundation is proud to be a part of the celebration. Rob.phillips@saanich.ca

Blenkinsop Valley Community Association - Pearce Crescent Park Project

Foundation Granted \$2,000 towards this project.

The Pearce Crescent community consists of 50 homes in the heart of the Blenkinsop Valley. While they are surrounded by wildlife, trees and farmland, their children have no access to a park or playground unless parents drive them, or take a 30-minute walk. A proposal for an adventure playground on a vacant lot, designated for a road right-of-way but which will never be used as such, was supported by Saanich Parks. The community is working hard to raise sufficient funds and gain all approvals necessary, and has secured volunteer help to work with Saanich on the construction of the playground. Donations to this project can be made directly through the SLF website - click on the DONATE NOW button on the right. mattbelanger@gmail.com
